

The Community Food Sharing Association (CFSA) tells us that over **25,000 Newfoundlanders and Labradorians** are currently being assisted by food banks on a regular monthly basis and many of these are children under the age of 18.

The Oil & Gas Industry Food Drive has supported the CFSA with food and monetary donations for 18 years.

Since the inaugural year in 2000, local oil & gas companies have collected approximately 465,000

pounds of food and raised over \$1,000,000. This initiative is one of the largest generators of food and funds for the CFSA. Last year, the 2017 food drive and fundraiser raised \$31,753 and over 15,700 pounds of food.

On **Saturday, March 10, from 9:00 a.m. to 5:00 p.m.**, oil & gas companies will be providing volunteers to collect food and funds at local Sobeys stores in St. John's, Mount Pearl and Conception Bay South. Specific locations will be announced once they are finalized.
