

## Noia Rising Star Award

---

Noia's Rising Star Award recognizes the outstanding achievement made by an impressive individual who is 40 years old or under who has made remarkable strides in their role within the oil & gas industry in Newfoundland & Labrador.

This individual will be honored at **Noia's Oil & Gas Industry Achievement Awards Gala** during Oil & Gas Week and will also be featured in the conference edition of Noia News.

Nominations will be evaluated based upon the following criteria:

**Personal Criteria:**

The nominee must be 40 years of age or under as of December 31<sup>st</sup>, 2015 and have worked within the oil & gas industry in Newfoundland & Labrador for a minimum of 2 years.

**Professional Achievement:**

The nominee is a quick thinker who has made a significant contribution to their company and the oil & gas industry in Newfoundland & Labrador.

**Integrity:**

The nominee has set high professional standards for the industry in both ethics and quality of work.

**Results:**

The nominee has demonstrated impressive actions that will lead to future impactful contributions to the oil & gas industry of Newfoundland and Labrador and has received other recognitions, such as other awards. Education and volunteer / community outreach activities will also be considered.

**Advocacy:**

The nominee has promoted, marketed and been a strong advocate for the oil & gas industry in Newfoundland and Labrador.

**Industry Recognition:**

The nominee has been recently endorsed by a senior representative from the oil & gas industry. This endorsement must accompany this nomination.

Nominations must be seconded.

Please see the award nomination form for more detail on the rules for nominations.
